In the Title

Please amend the application by replacing the title at page 1, line 1, with the following title:

SUPPORTING ENHANCED MEDIA COMMUNICATIONS <u>USING A PACKET-BASED COMMUNICATION LINK</u>

In the Specification

On page 6, lines 24-26, please amend the specification as follows:

For example, computing devices ~~12~~ <u>14</u> may include desktop computers, laptop computers, personal digital assistants (PDAs), dedicated video equipment, or any other appropriate computing devices.

On page 8, lines 1-2, please amend the specification as follows:

Thus, for example, the functions of call manager 20 may be provided within ~~selected and/or each~~ <u>one or more</u> telephony ~~device~~ <u>devices</u> 12.

On page 11, lines 3-5, please amend the specification as follows:

For example, computing device 14 may send packets that encapsulate the request to telephony device ~~14~~ <u>12</u>. After receiving the packets, telephony device ~~14~~ <u>12</u> may embed the packets in a stream of audio packets communicated through audio link 24.

On page 11, lines 23-26, please amend the specification as follows:

For example, when computing device 14a identifies an enhanced media capability shared with computing device ~~12b~~ <u>14b</u>, computing device 14a may attempt to communicate enhanced media packets associated with the enhanced media capability to computing device 14b.

On page 17, lines 5-8, please amend the specification as follows:

In general, telephony device 12 is operable to couple to a local computing device 14, to ~~establishes~~ <u>establish</u> audio links 24 with remote devices, to

communicate audio packets to remote devices, and to tunnel enhanced media packets to remote devices.

On page 25, lines 28-30, please amend the specification as follows:

For example, device icons 102a, 102b, and 102c represent remote devices that are telephony devices ~~14~~ 12, while device icon 102d represents a remote device that is traditional telephone 16.

In the Drawings

The Examiner objects to the drawings 3a, 3b, and 3c as failing to comply with 37 CFR 1.83(a) because the drawings must be labeled descriptively with a legend. Applicant has included a proposed drawing correction of Figures 3a, 3b, and 3c for the Examiner's approval. No new matter has been added. Applicant respectfully requests that the objection to the drawings be withdrawn.
